Questions for the Director:

What are you looking forward to as the new Camp Hamp Director?

I am looking forward to being a role model for the participants. Setting a good example for children is very important to me. I look forward to applying both my education and prior experience as a camp counselor to make this the best experience possible for the children of Northampton, and provide them with a fun and safe environment during their time at Camp Hamp.

What do you enjoy most about working with youth?

What I enjoy most about working with children is watching them make friendships, explore and be able to enjoy being kids!

What is your favorite thing about Camp?

My favorite thing about summer camp is watching everyone have a good time as new friendships are formed.
